

How to book

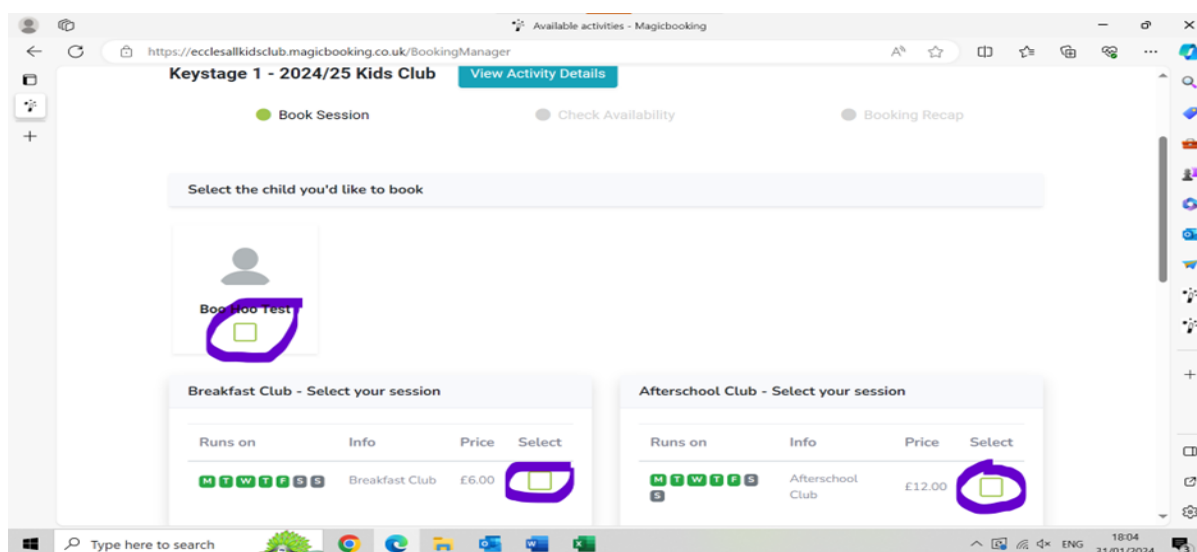

Hopefully you'll find the booking process reasonably simple, quick and self-explanatory.

To help below are some basic instructions on how to book. We recommend you use a computer or tablet to make your booking.

1. To make a booking login to your MagicBooking account at <https://ecclesallkidsclub.magicbooking.co.uk> and follow the instructions below:
2. On the main screen select the activity you wish to book from the 'Book an Activity' box. This will either be **'Keystage 1 - 2024/25 Kids Club'** or **'Keystage 2 - 2024/25 Kids Club'**

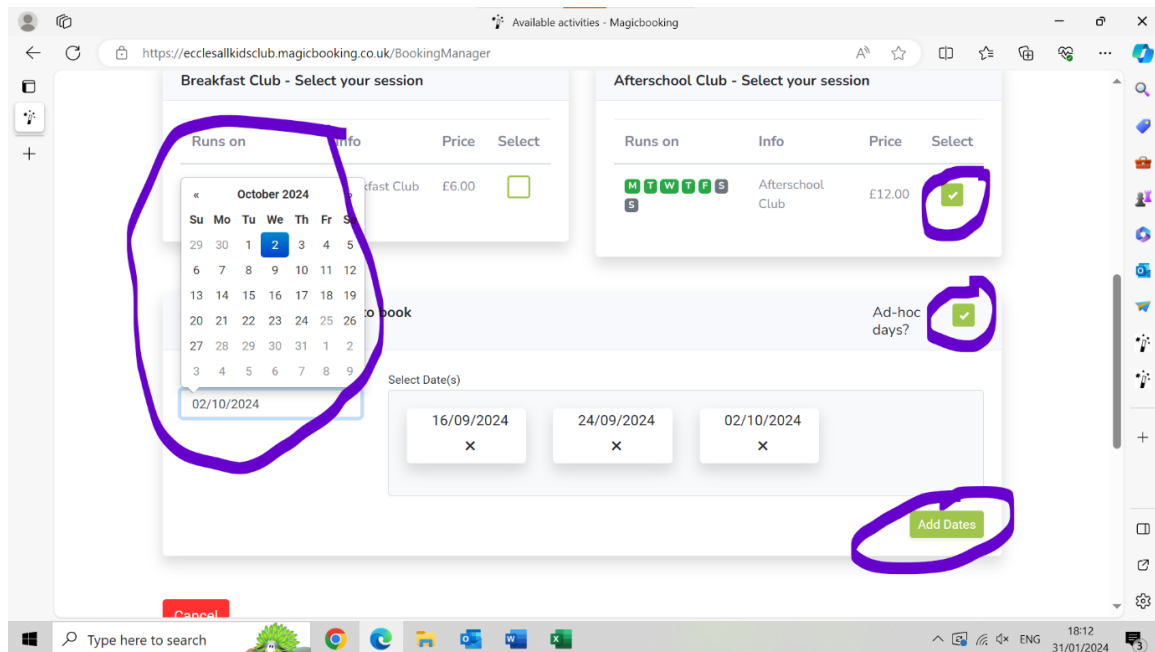

3. On the next screen click on the box below the name of the child(ren) you are booking sessions for.

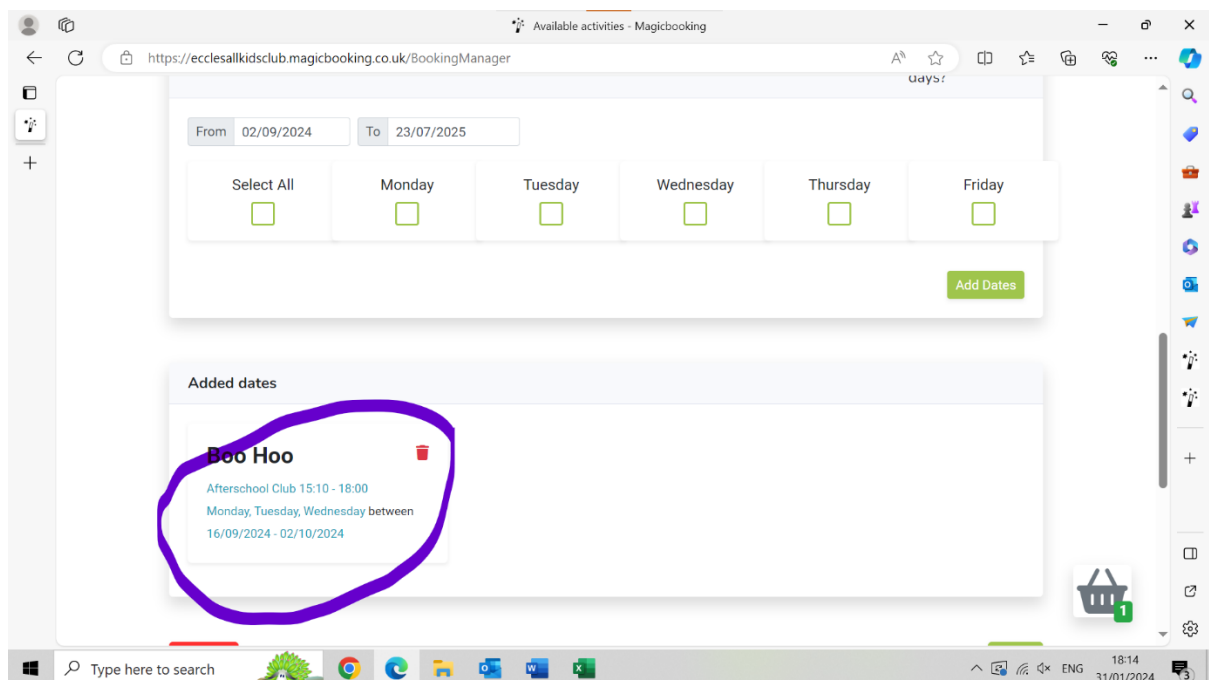

4. If you have more than one child registered in the **same keystage group** you can opt to book both/all children at the same time **if you want the same sessions for them**).
5. You then have the option of what sessions to book.

The screenshot shows the Magicbooking website interface for booking activities. At the top, there are two tables for 'Breakfast Club' and 'Afterschool Club'. The 'Breakfast Club' table has columns for 'Runs on' (MTWTFSS), 'Info' (Breakfast Club), 'Price' (£6.00), and 'Select' (checkbox). The 'Afterschool Club' table has columns for 'Runs on' (MTWTFSS), 'Info' (Afterschool Club), 'Price' (£12.00), and 'Select' (checkbox). Below these tables is a section titled 'Select the dates you'd like to book' with a date range from '02/09/2024' to '23/07/2025'. There is an 'Ad-hoc days?' checkbox. Below the date range are buttons for 'Select All', 'Monday', 'Tuesday', 'Wednesday', 'Thursday', and 'Friday'. The 'Tuesday' and 'Thursday' buttons have purple circles around them. At the bottom right of this section is a green 'Add Dates' button. At the bottom left of the interface is a red 'Cancel' button.

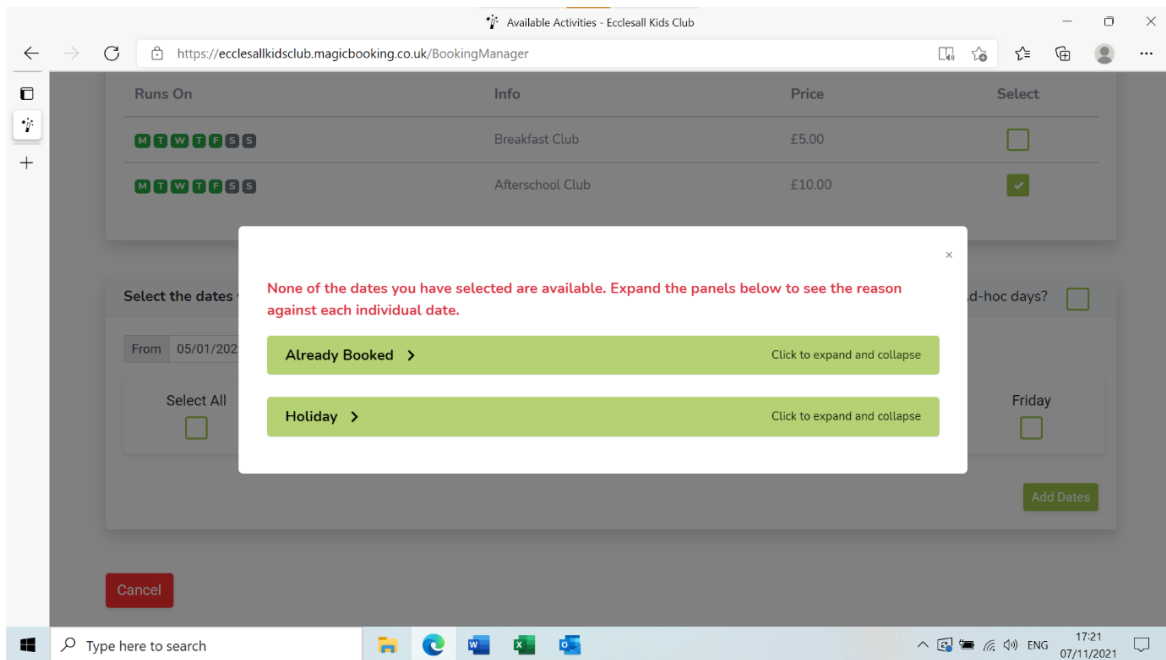

6. If you want to book the same sessions each week throughout the term
 - Click on the 'Breakfast Club' or 'Afterschool Club' boxes (if you are booking both breakfast and afterschool club for the same days/dates then just click both 'breakfast' and 'afterschool' boxes at the outset if the system will allow)
 - Select the days you want each week by clicking the appropriate box(es)
 - Enter the date you want the sessions to start and end using the calendars. If you don't want to book the same sessions for the full term but still want consecutive weeks you can simply alter the start and end dates of your booking.
 - Click on the green 'Add dates' button.
7. If you want to book ad hoc sessions
 - Click on whichever session you require (Breakfast and/or Afterschool Club)
 - Click on the 'Ad hoc' button
 - Select a date from the calendar. It will appear in the 'Selected date(s)' box
 - Continue to select dates until you have all the sessions you require.

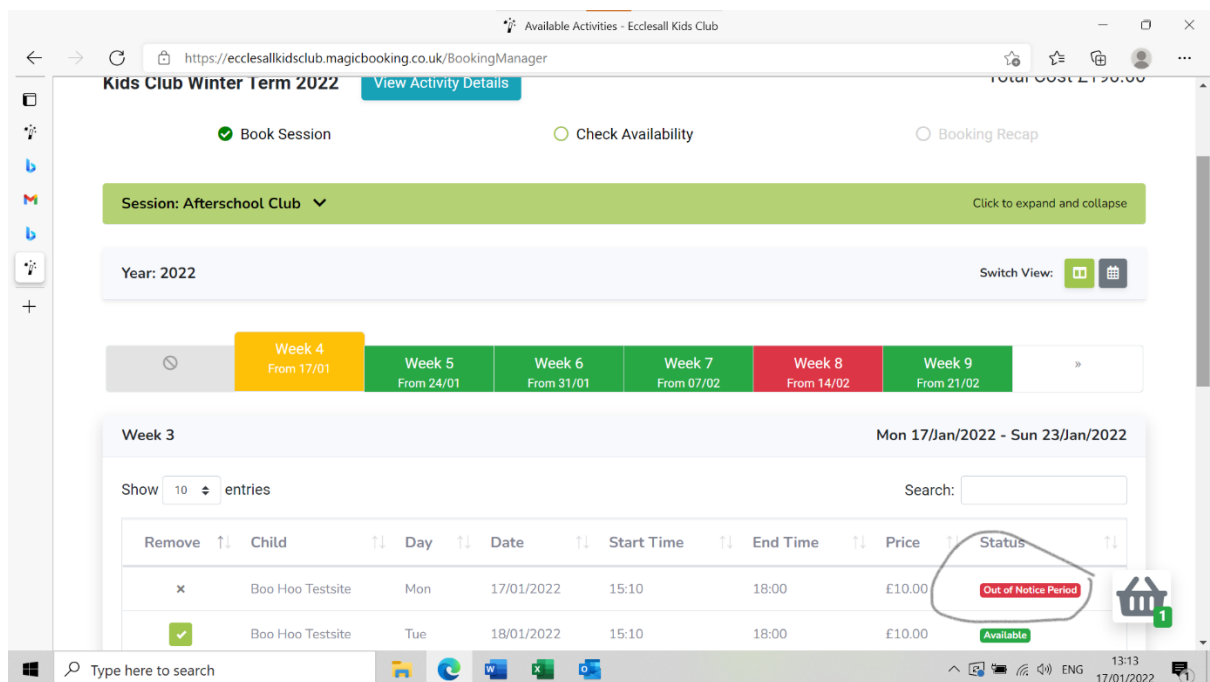

8. When you have selected all of the ad hoc sessions you need click the green 'Add date(s)' button.
9. Check the 'Added date(s)' box to ensure that you have selected all of the sessions you need (either ad hoc and/or regular sessions). Once you are happy with the sessions selected click the green 'Next' button.

10. If any sessions are unavailable, you will receive a pop up message (see fig below)

11. You can also check the availability of the sessions you've booked on the following screen which shows you the sessions you've booked week by week. Make sure that you **scroll through the tabs to ensure that all the sessions you have booked are available.**

12. The 'week' tabs will display either as
- **'Green'** all of the session you've requested that week are available.
 - **'Yellow'** means that **some sessions** you've requested that week **are not available**. The reason the sessions isn't available will be shown under the 'status' column. For example, fully booked no places available, closed (school holiday), already booked (the system won't allow you to book the same session twice and it will show the booking reference number for where the sessions have already been booked)
 - **'Red'** means that **none of the sessions** you've requested that week **are available**.

13. Once you've checked availability click the green 'Next' button.

14. The next screen will show you the total number of sessions you've booked and the total cost.

The screenshot shows the 'Check Availability' step in the booking process. On the left, a box titled 'Keystage 1 - 2024/25 Kids Club - 75 sessions booked' lists the 'Cost of Session(s)' as £900.00 and the 'Session(s)' as 'Afterschool Club'. Below this, it says 'Child(ren) Booked' with the name 'Boo Hoo'. A red note states: 'Please note that some of the dates you have selected are either not available, on waiting list or overlap with an existing booking. Click 'View dates booked' for further information.' On the right, a 'Total' box shows 'Total Booking' and 'Total to Pay' both as £900.00. There is a field for 'Enter your promo code' with an 'Apply' button. Below that, a checkbox for 'I have read and agreed with Ecclesall Kids Club T&Cs' is present. A red message says: 'This booking requires approval, no payment required at this stage, However you can create payment plan for booking cost'. At the bottom, there are buttons for 'Pay Monthly' and 'Submit booking'. A 'Back' button is at the bottom left, and an 'Add another activity' button is at the bottom right.

15. When you have made all the bookings you require and you are back at the total cost screen you can now set up a payment plan. There are a number of ways that you can pay (see options under How to Pay)

16. Once you have set up your payment plan simply tick the terms and condition box and press the green 'Submit' button.

The screenshot shows the 'Booking Successful' message on the Ecclesall Kids Club website. The message box contains the text: 'Your booking has been successfully completed!' and 'Your booking reference: PS4217623/617'. A green 'Continue' button is located at the bottom right of the message box. The website header includes the Ecclesall Kids Club logo and navigation links: Home, Book Activity, Bookings, Account, Children, Contact Us, Help, and Logout. The footer shows the contact information: ecclesallkids@gmail.com | 0114 268 1116.

17. You will see a pop-up message on the screen informing you that your booking has been successfully completed.

18. Please note that this simply confirms that we've received your booking it does not mean that those places are secured as all bookings are 'subject to approval'. You will also receive a confirmatory email stating that your booking has been received and

submitted to the centre manager for approval.

19. All places will be allocated based on the priorities shown in our booking policy. You will be notified within 14 days as to whether your booking has been successful. If we aren't able to accommodate your request we will also discuss what options are available i.e. alternative days or waiting list.

Any problems please email us at ecclesallkids@gmail.com
